Lessons learnt from the trenches of Agile

Its hard - for everyone

more funny stuff at FUNNYASDUCK.NET

The theory is different from the practice.

The teams can operate (not surprisingly) like a sports team

Its socially rewarding - but can be political

Very product focused - can be hard on innovation

Works well with new teams - challenges
with old dogs

People still have their favourite work

Training can present challenges too

HEY, MOST CLIMB OVER, BUT WHATEVER WORKS FOR YOU.
